A. Lisner Acquires Scottish
Rite Cathedral.

WILL ENLARGE PALAIS ROYAL

Merchant Pays \$85,000 for Property
Next to His G Street Store—Has
Been Headquarters of Higher Ma-
sonry for About Twenty Years.
Has Interesting History.

In the purchase of adjoining property, with a frontage of about thirty feet on G street, A. Lisner, proprietor of the Palais Royal, it is expected, will enlarge and improve that popular business house.

Mr. Lisner yesterday signed the necessary papers to take over the property east of the Palais Royal, known as the Scottish Rite Cathedral. The property has a width of 28.75 feet by a depth of 124 feet to a wide alley in the rear, which will serve as an approach to the store for unloading merchandise and handling the delivery service. The plot contains 3,765 square feet, and was sold to Mr. Lisner for \$85,000, or \$23 a square foot.

Owned by Supreme Council.

The property was owned by the Supreme Council of Ancient and Accepted Scottish Rite Masons of the United States. The property was recently acquired by the Supreme Council through a trade with the local bodies for its headquarters at Third and E streets northwest. A few weeks ago the Supreme Council closed a deal for a site in Sixteenth street northwest for a new and larger headquarters, which will soon be erected. This step made it desirable to dispose of the old headquarters at Third and E streets and the local Scottish Rite bodies entered into negotiations to obtain it for use as a local cathedral. The two properties were accordingly traded, and now, through the sale of the G street property to Mr. Lisner, the Supreme Council will realize upon the chain of deeds.

Mr. Lisner stated recently that he had not yet formulated any definite plans regarding the remodeling of the property and adding it to the Palais Royal. It will be some time before actual possession of the property can be had, which will leave ample time for the completion of his plans along this line.

Erected Twenty Years Ago.

Scottish Rite Cathedral, at 1907 G street, was erected about twenty years ago, and was designed especially for the use of the local bodies of Scottish Rite Masonry. The building is a substantial brick edifice five stories high, the different floors being fitted up for the meetings of the several branches of the rite. The interior is handsomely furnished and is regarded as one of the most comfortable and imposing homes of the Scottish Rite among the subordinate bodies of the country. In everything except size it is an ideal home for the rite.

"The natural growth of the several local branches has made the quarters too small, and in the larger accommodations, at Third and E streets, the rite will have room for further growth. Moreover, it will be housed in quarters made memorable in Masonry by many years' occupancy by the Supreme Council."

The negotiations in selling the property were conducted through Clarence Dodge, of Weaver Brothers, himself a Scottish Rite Mason.

Stand on Insurance Law.

Favors Reduction of License Fee,
but Does Not Sanction Soli-
citors' Clause.

Radical changes in the insurance law of the District will not receive the sanction of the Board of Trade, if the recommendations of the committee on insurance are carried out. The committee held its initial meeting yesterday, at the headquarters of the board, and organized with Edwin C. Brandenburg as chairman, and Orville B. Brown, as secretary.

The committee took up the report of the committee of 1909, discussed it quite thoroughly, and acted upon its principal recommendations. It was voted to approve the following recommendation of the old report:

It was voted to approve the following recommendations:

"That the insurance law of the District of Columbia be so amended as to greatly decrease the amount of the annual license fee for insurance agents."

"That the insurance law be so amended so as to permit solicitors under the license issued to them to represent one or more companies."

The residents' agents bill, now before Congress, was approved.

The committee considered House bill 16322, "To amend section 653 of the code of law for the District of Columbia, relative to assessment on life insurance companies or associations." The entire matter was referred to a subcommittee consisting of J. S. Swormstedt, chairman; J. Leo Kolb, John Edward Kreh, Jr., J. T. Hendrick, and Orville B. Brown, for consideration and report at the next meeting of the full committee.
